Detailed expenditure highlights are included within each Functional Area Summary. A summary of major funding and policy changes, which impact expenditures by functional area, follows:

Justice and Public Safety

- The Sheriff department is budgeting for 4.50 FTE new positions to be created in 2006 (funding 2.88 FTE during 2006) and funding 13.31 FTE positions created in the 2005 budget years as the Jail Expansion is planned to be operational as of October 2005 for expanded and recommended segregate inmate housing. The full year Sheriff impact related to the Jail Addition is \$1,789,000.
- The **Sheriff** department is creating one Deputy Sheriff position and budgeting for 4.83 FTE non-sworn temporary extra help positions to implement the Courthouse / Administration center controlled access entrances for campus security beginning in 2006. This will restrict public access to the buildings to one screening entrance.
- The **Sheriff** Department's 2006 budget for **out of county prisoner placement and transport costs** eliminates \$100,000 of tax levy funded expense due to the opening of the new jail addition eliminating the need for out of county inmate housing.
- The **Emergency Preparedness (EP)** department is creating a Senior Financial Analyst position to develop the management function of the new department, which was created as of July 01, 2005 to consolidate the Waukesha Communication Center operations, Emergency Management operations, and Radio Service communication operations.
- **Circuit Court Services** eliminates a 0.75 FTE Clerk Typist II based on limited tax levy budget funding.

2006 EXPENDITURE HIGHLIGHTS

PROPOSED - WAUKESHA COUNTY 09/27/05

- The **Criminal Justice Collaborating Council (see table of contents, Health and Human Services Functional Area Section)** continues to carry out analysis/special studies and to recommend and implement comprehensive changes aimed at controlling jail inmate population growth. The Council is provided with budget appropriations totaling \$482,691 and total county tax levy funding of \$440,913 (no increase from 2005) to address front end and aftercare monitoring services to help reduce recidivism.

Health and Human Services

- To deal with the fiscal pressures in mandated programs, the 2006 **Human Services** budget includes reductions in certain non-core, non-mandated Human Services program areas.
- Human Services reductions include the **abolishment of 1.0 FTE Clerk Typist** position resulting in a cost reduction of \$47,600. Remaining clerical and professional staff will absorb clerical duties associated with the position.
- Human Services non-mandated program reductions also include a reduction in **BASIC grants** (Basic Assistance and Services for Individuals in Crisis) of \$85,000 from \$167,560 to \$82,560. The remaining funding will be prioritized to provide support services to clients discharged from the Mental Health Center.
- Non-mandated **Intake Division education and outreach** contractual programming is reduced of \$44,700. Specific reductions include a \$26,000 reduction to for **Mental Health Associations** community outreach/education contract, a \$12,700 decrease in **Women's Center** domestic violence counseling contract and a \$6,000 reduction in the **Association for the Rights of Citizens with Handicaps (ARCh)** outreach/education associated with developmental disability issues.
- In the face of escalating **Health and Human Services - Economic Support (ES)** caseloads, continued State Income Maintenance (IM) program expansions and lower state funding, the County is adding \$77,600 in contract clerical support to develop a **Change Call Center** to allow clients to report changes in income, household composition and other circumstance that impact benefits. This is expected to cost effectively deal with increasing caseloads and allow for more timely responses to client phone calls.
- The Human Services Budget includes the mid-year **transfer of a Computer Services Coordinator Position to the County's End User Operations and Technology Fund (EUOTF) and the Creation of a Centralized Records Supervisor Position** within HHS. The transfer of the Coordinator position enhances overall countywide information technology services while maintaining and improving services specifically provided to HHS. The records position is created to provide and enhance the core records management responsibilities previously provided by the Computer Services Coordinator position within HHS.

Parks, Environment, Education and Land Use

- UW Extension county tax levy support is reduced \$50,000, and results in the reduction of 0.50 FTE Clerk Typist position as well as other targeted operating cost reductions.
- **Parks and Land Use unfunds 2.0 regular full time positions**, including a 1.0 FTE Clerk Typist position within the Land and Water Resources program areas, which reduce costs by \$44,800. Parks and Land Use staff indicates that the remaining clerical and professional staff will absorb the positions duties. A 1.0 FTE Park Maintenance position within the golf course enterprise operations is also unfunded based on lower current and projected workloads.
- **The Parks and Land Use** budget appropriates \$286,000 of grant funded expenditures associated with the continuation of the three-year \$812,300 Smart Growth grant accepted through 2005 enrolled ordinance 160-13. The Smart Growth initiative includes Waukesha County, 27 County municipalities and the Southeastern Wisconsin Regional Planning Commission (SEWRPC) participation in a multi-jurisdictional planning effort to update the comprehensive development plan for Waukesha County.
- The **Parks and Land Use** budget includes \$51,000 of third year funding of a SEWRPC **regional ground water study**, which is to be conducted over a four-year period. The study forwards the objectives outlined in County Board adopted resolution 156-21 to identify groundwater recharge areas and to develop a strategy for coordination of municipal water supplies. The Plan's findings will be an important component in County land use planning and eventual update of the Waukesha County Development Plan.
